Participants are responsible for ensuring they are fit to complete their chosen ride. Please consult your doctor if you have any medical condition that may affect your ability to take part, as the organisers can take no responsibility for any injuries or health issues. Compliance with the Highway Code and the Countryside Code is a condition of entry.

The organisers strongly recommend wearing a correctly fitted helmet while taking part in a ride. However, we also support the right of each individual to choose whether to do so. Under 16 riders must wear a helmet and be accompanied by a responsible adult.

If we are unable to run the event as planned, the organisers reserve the right to postpone the event and your entry will automatically be transferred to 2023 or a refund will be offered (minus any booking fee). Entries may be deferred until next year with at least 1 month's notice before the event, and will be at the discretion of the organisers.
